

2009 APACA Conference Session Submission Form

Please use this form to provide the Conference Committee with the session information to be used in the Conference Program and for web posting. All session information must be supplied using this form, no other formats will be accepted.

Name of Session:	Date of Session:	Time of Session:
Program Chair will complete.		

Which of the following tracks do you feel your session would support (check all that apply)?
Final placement will be determined by the Conference Committee.

Planning 101/Career Development

- The usual suspects: zoning, Subdivision Map Act, CEQA, traffic impact analysis, etc. with emphases on law and practice
- Planning your path— career development sessions for entry-level planners, as well as those in the middle of their careers
- AICP CM stalwarts: ethics and planning law

Emerging Policy

- Evaluation of how emerging policies (fiscal, social, environmental) are shaping planning practice
- Outreach to academics
- What's happening in the State capitol

Places for Everyone

- Discussion of diversity, health care (including care for the aged), housing, transportation
- Projects that accommodate diversity or underserved segments of the population
- School siting

Adaptation / Sustainability Toolkit

- Examples of planning that adapts to environmental, political, and funding constraints
- Planning for hazards (fire, flood, etc.); recovery planning
- Effective planning in a fiscally-constrained environment
- Tourism and resort planning
- Recommended practices to achieve sustainability goals
- Climate change
- Green building/LEED
- Renewable resources
- Natural resources management

Visionary Planning

- Planning practices and projects that exemplify the "long view"

Public Awareness/Selling the Vision

- Planning practices and projects which increase public awareness/understanding of the plans
- Communications and outreach strategies, transparency in planning practice, engaging and educating decision makers
